

**TRUSTED SOLUTIONS
FOR EVERY SCOURING JOB.**
FROM SCOTCH-BRITE™ PROFESSIONAL BRAND

NOT ALL SCOURING PADS ARE CREATED EQUAL.

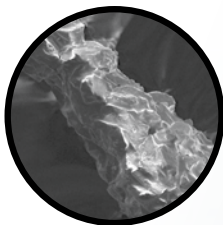

WHAT MAKES SCOTCH-BRITE PROFESSIONAL SCOURING PADS DIFFERENT?

○ Reliable & Consistent Results

We invented scouring pads back in 1958, and we've spent the next 50+ years making improvements based on the real world needs of commercial kitchens. The Scotch-Brite™ Professional scouring pads are designed to deliver effective and consistent performance.

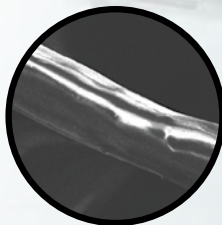

- Abrasive mineral coated uniformly on fibers
- Abrasive mineral particles are evenly distributed throughout the pad to ensure effective, consistent and long lasting performance for the life of the pad.
- Resin system is designed to provide durability and resistance to degradation from exposure to hot water, detergents and normal cleaning liquids.

○ Cleaner

Your passion is cooking delicious food — not spending hours scrubbing pots and pans. Reclaim your time with Scotch-Brite™ Professional Scouring Pads. The Scotch-Brite™ General Purpose Scouring Pad 96 scours **2 to 5X faster** and is **2 to 3X more durable** than comparable non-3M pads. In fact, tests show our scouring pads **remove up to twice as much baked-on food** from cookware, while rinsing easier and lasting longer!

**SCOTCH-BRITE™ PROFESSIONAL BRAND
DELIVERS MORE SCRUBBING POWER**

CONCERNED ABOUT FOOD SAFETY IN YOUR KITCHEN?

Many of the Scotch-Brite™ Professional scouring pads have been certified by HACCP International as “food safe” and “fit for purpose” for use in facilities that operate in accordance with a HACCP based Food Safety Program.

○ What is HACCP?

HACCP stands for Hazard Analysis Critical Control Point. HACCP is an international risk management methodology used by the food and related industries for the control of food safety hazards to acceptable risk levels.

○ What is HACCP International?

HACCP International is a leading food science organization specializing in the HACCP food safety methodology and its application within food and related industries. HACCP International operates a world-renowned product certification of food safe equipment, materials and services.

○ What does the HACCP International Mark stand for?

HACCP International Certification mark is a “Certificate of Conformance” (CoC) confirming a non-food products ability to support the integrity and safety of food as demanded by industry expectations, legislations and GFSI (Global Food Safety Initiative) endorsed standards.

○ Why are 3M products certified by HACCP International?

HACCP International provides recognized Food Safety Certification and Endorsement of non-food products used in its intended applications in the food industry.

○ What does it mean for Scotch-Brite Professional scouring pads to be certified by HACCP International?

Certification by HACCP International means that the Scotch-Brite™ Professional scouring pads referenced in this brochure are “food safe and fit for purpose” to be used for cleaning applications in food processing, preparation and food handling facilities that operate in accordance with an HACCP-base Food Safety Program.

○ What does HACCP International Certification mean to Restaurant Operators?

Through a defined and consistent assessment process, HACCP International provides validation of a product’s “fit for purpose” in food handling or processing applications. Some of these components are:

- Materials and specifications
- Safe for use
- Contamination risks
- Ease of cleaning
- Contribution to food safety

LIGHT DUTY SCOURING

Gentle yet powerful solutions for thoroughly cleaning even delicate surfaces including china, ceramic, porcelain, glass and non-stick coatings.

Scotch-Brite™ Light Duty Cleansing Pad 98

A feather-light but hard-working pad for gentle yet thorough cleaning of most surfaces. The non-woven fibers and mild abrasive make it a good choice for stainless steel, chrome, copper, porcelain and ceramic.

Scotch-Brite™ Easy Erasing Pad 4004CC and 4004BP

This unique double-sided pad mounts a two-step attack against hard-to-clean stains, marks and scuffs. After wetting and removing excess water, use the white polymeric foam side to erase marks, then flip to the blue side to remove the residue. The blue urethane layer helps increase durability and protects hands from the mess.

Scotch-Brite™ All-Purpose Scouring Pad 9000

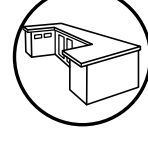

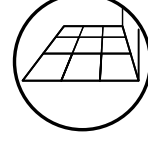

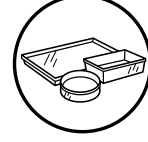

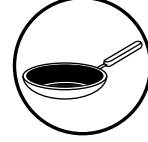

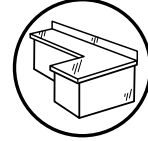

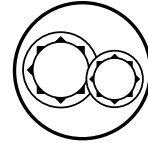

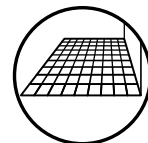

A versatile, hand-sized pad that offers powerful cleaning for porcelain, ceramic, stainless steel and non-stick pans. It stands up to hot temperatures and preserves the sheen of mirrored or highly-polished griddles. Use this pad by hand or pair it with a Scotch-Brite™ Multi-Purpose Holder 405-R or 3M™ Twist Lok™ Pad Holder 461.

Scotch-Brite™ Light Duty Scrubbing Pad 9030

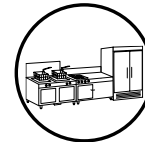

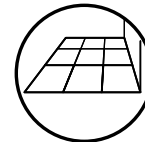

This thick, hand-sized scouring pad delivers gentle, no-scratch cleaning for delicate surfaces including glass, plastic, fine china, porcelain, ceramic and non-stick surfaces.

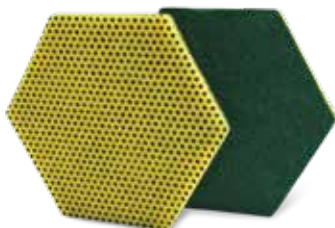

MEDIUM DUTY SCOURING

General purpose scouring solutions designed to make clean-up faster and easier than ever. Use them to defeat tough baked-on messes on pots, pans, utensils and kitchen appliances.

Scotch-Brite™ Dual Purpose Scour Pad 96HEX

Take on tough scouring and polishing jobs with a **dual purpose** pad. Features a yellow raised power dot side engineered to cut through baked-on food **5X faster***. The green side scours away fine particles and grease, leaving a clean and shiny surface. Use on surfaces including pans, cooking appliances, utensils and kitchen and maintenance equipment.

Scotch-Brite™ General Purpose Scouring Pad 105

Based on the same pioneering technology as the Scotch-Brite™ General Purpose Scouring Pad 96, this smaller, hand-sized, medium-duty scouring sponge is ideal for cleaning pots, pans and utensils.

Scotch-Brite™ General Purpose Scouring Pad 96, 96CC and 96-20

The original synthetic scouring pad - Scours 2 to 5X faster and is 2 to 3X more durable than comparable non-3M pads. Use it for everyday cleaning of most cooking utensils and equipment. Unlike steel wool and metal sponges, it's non-rusting and resilient.

Scotch-Brite™ General Purpose Scrubbing Pad 9650

A thicker, hand-sized version of the Scotch-Brite™ General Purpose Scour Pad 96. Because it's already the perfect size for the job, there's no need to cut or fold the pad.

Scotch-Brite™ Deep Fat Fryer Cleaning Pad 94

Clean deep fat fryer gas heating tube assemblies with ease with this 25-inch long scrubbing strip eliminates the need for strong caustic chemicals.

*Than non-3M competitive medium duty scouring pads.

HEAVY DUTY SCOURING

Cut through the most stubborn baked-on messes with our heavy duty scouring solutions, made for durable surfaces like kitchen utensils, equipment and scratch-resistant pots and pans.

Scotch-Brite™ Big Blue Scour Pad 80CC

With its larger size, this extra heavy duty scouring pad cleans more area in less time, defeating heavy food soil deposits on cookware and equipment. Made with open mesh construction for easy rinsing, its thick fibers won't splinter or rust.

Scotch-Brite™ Heavy Duty Scouring Pad 86 and 86CC

Make short work of heavy duty cleaning jobs with this tough open construction abrasive pad. A good replacement for scrapers, steel wool and metal sponges, it quickly removes heavily baked-on food.

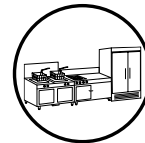

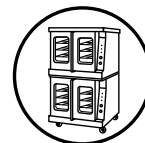

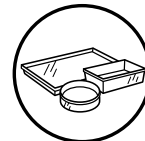

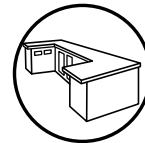

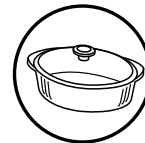

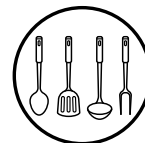

Scotch-Brite™ Extra Heavy Duty Pot 'n Pan Scour Pad 88 and 88CC

Thanks to its thick, open mesh construction, these heavy duty pads rinse out easily and won't splinter or rust. More effective than most pot scrubbing pads for cleaning stubborn cheeses and thick sauce deposits.

Scotch-Brite™ Stainless Steel Scrubbers 83, 84 and 84CC

High quality stainless steel for tough cleaning chores — won't rust or splinter. Baked-on food comes off pots, pans, baking dishes, grills and ovens in moments. Available in two sizes.

LOW SCRATCH SCOURING

Great for virtually all your stainless steel equipment and appliances. Works on kitchen and cooking equipment, maintenance equipment, sinks, countertops, doors, floors, walls, drinking fountains, ceramic tile, porcelain and more.

Scotch-Brite™ Low Scratch Scour Pad 2000HEX

Dual Purpose Scour Pad features a raised power dot side that is engineered to scour away tough messes like a medium duty pad with less visible scratches. It also has a dark blue scour pad side that removes fine food soil to give a virtually spotless finish.

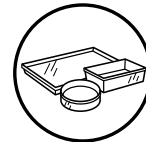

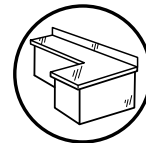

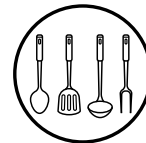

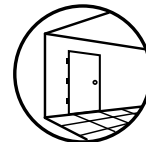

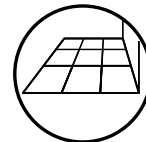

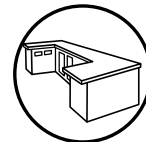

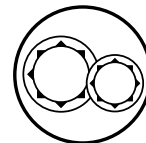

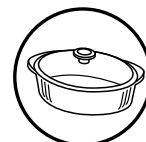

Scotch-Brite™ Power Pad 2000 and 2000BP

Scours at least 7 times faster than competitive non-scratch pads, and scratches at least 10 times less than competitive medium duty scouring pads. Ideal for use on stainless steel equipment and appliances. Comes in an easy-to-grip bow tie shape.

Scotch-Brite™ Purple Scour Pad 2020 and 2020CC

Cleans your dirtiest pots and pans twice as fast as conventional heavy duty scouring products — and with less scratching. Food debris rinses out of the pad easily, and its unique web construction stands up to your toughest jobs.

SCRUBBING

A woman with dark hair in a ponytail, wearing a grey polo shirt and black pants, is cleaning a white countertop with a blue sponge. She is looking down at the sponge with a slight smile. In the background, there is a kitchen with a stainless steel oven and green cabinets. A large window shows a view of green trees outside.

Take cleaning beyond the kitchen with these general purpose sponges, which not only get pans and cooking surfaces gleaming but make it easy to polish countertops, furniture, tile and more.

SPONGES

Powerful solutions for a wide variety of cleaning challenges in the kitchen and beyond.

Scotch-Brite™ Low Scratch Scour Sponge 3000HEX

A two in one cleaning tool. Features a raised power dot side engineered to scour away tough messes like a medium duty pad with less visible scratches and a cellulose sponge side to easily wipe up spills. The sponge contains antimicrobial technology that resists the growth of odor-causing bacteria in the sponge.

Scotch-Brite™ Light Duty Scrub Sponge 63

This light duty cleaning pad/sponge won't scratch or mar most surfaces, including stainless steel, glass, ceramic, fine china, porcelain, countertops and non-stick surfaces.

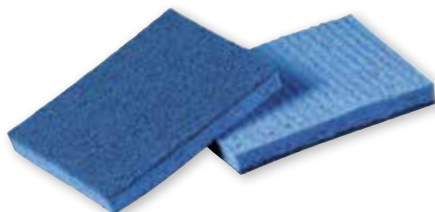

Scotch-Brite™ Medium Duty Scrub Sponge 74 and 74CC

One side of this dual-action cleaning tool is a Scotch-Brite™ Scouring Pad 96 for scrubbing and cleaning. On the other side, a cellulose sponge quickly wipes up spills and carries cleaning solutions.

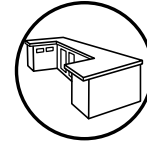

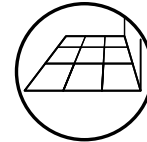

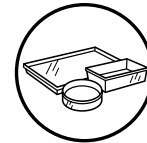

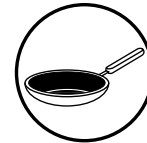

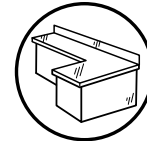

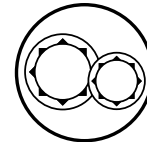

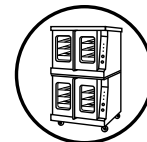

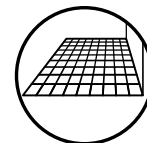

Scotch-Brite™ Power Sponge 3000 and 3000CC

Two cleaning tools in one — a Scotch-Brite™ Power Pad combined with a sponge. It's up to eight times less abrasive than other medium/heavy duty commercial scouring products, which means it's less likely to scratch. The sponge contains an antimicrobial technology that resists the growth of odor-causing bacteria within the sponge.

Scotch-Brite™ No-Scratch 9489

This sponge combines no-scratch scrubbing and moisture pick-up all in one! One side scours and the other side wipes up spills or carries cleaning solution to the work surface. Great for use on tubs, sinks, showers, windows, mirrors and walls.

Maximize the cleaning power of your Scotch-Brite™ Professional scouring solutions by pairing them with tools and accessories specially designed to complement them.

Scotch-Brite™ Multi-Purpose Pad Holder 405-R

Holds a variety of Scotch-Brite™ nonwoven pads, including those used with the Scotch-Brite™ Quick Clean Griddle System.

3M™ Twist-Lok™ Pad Holder 961

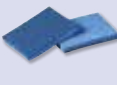

Specially designed for use with 3M™ Scouring Pads to help make cleanup jobs faster, easier and safer. Distributes pressure evenly over the pad surface for efficient cleaning action and improved pad life.

SELECTION GUIDE
