3M™ Disposable Floor Mop Pads

**No dirt. No bucket.  
No storage. No problem.**

Easy-to-use, space-saving alternatives to reusable microfiber pads or string mops and buckets.

# A cleaner floor? No problem.

Removes 2X the ground-in dirt and surface stains as a reusable mop pad and cleans in less time than a string mop to get you back on the floor faster.

- **Fast.** Proprietary 3M sorbent absorbs liquids quickly.
- **Versatile:** Compatible with 3M cleaning tools and most flat mop tools. Use with water or most floor cleaners.
- **Convenient:** Use them, then toss them. No need to store a mop bucket.
- **Clean:** Discard rather than reuse the pads, reducing the likelihood of spreading bacteria and other contaminants.
