

Introducing a 100% Plastic-Free Recyclable Package

# Harvest<sup>®</sup> Choice

**Harvest Choice**, an innovative new product line by Genpak, offers a sustainable and affordable option for food packaging. Hinged kraft paperboard products are durable, and sustainable and made in the U.S.A. From sandwiches and salads, to leftovers, or bakery products, **Harvest Choice** is a leading packaging solution to fit all of your needs.

- 100% plastic-free • Oil and grease resistant – fingerprint transfer resistant
- Repulpable/Recyclable – not poly-coated; can be recycled with other paper materials
- Sustainable – certified SFI<sup>®</sup> • PFAS Free • Made in the U.S.A.
