# Folded Take Out Boxes

## Designed to meet all your carry out needs!

- Poly-coated interior creating leak- and grease-resistant boxes!
- Cut resistant and microwavable.
- Retains heat and vents steam.
- One-piece design, no assembly or lid inventory required.
- Keeps both hot and cold dishes fresh.
- Holds food, sauce and gravy without leaking.
- Flaps open wide to allow free and easy access to food.

Our food boxes contain recycled content and are constructed with PEFC or FSC accredited materials.
