SOLUTIONS

A trusted
standard for
protection

PRODUCT CATALOG

The Lysol® Pro Solutions brand is built to help protect people and their loved ones from illness causing germs. To achieve that, our products and expertise need to be put to work not just in the home but outside it too.

Expectations for frequent cleaning and disinfection have never been higher. That's why we've developed Lysol® Pro Solutions, Lysol's® go-to brand for front of house protection in business facilities.

Our complete offering was created by experts to put world-class science, products, and brand power on your side. We transformed our business to help protect our customers to the highest standard.

The same great Lysol® brand products that you know and trust - now all under Lysol® Pro Solutions.
