

No Rinse • Food Surface SANITIZING WIPES

Convenient and ready-to-use!

- Safe Formula
- Over-sized Wipe
- No Rinse
- Cleans Well

No Rinse Food Surface **SANITIZING WIPES** quickly and safely reduce microbial contamination levels in less than 1 minute. Puresan's safe formula is quat free and purely safe for food contact surfaces with no residue left behind. The oversized wipe last longer and clean better on your food prep surfaces.

Each package of wipes fits quickly and easily into a Puresan Powerstack medium dispenser system. Powerstack dispensers are ADA compliant and may be ordered in a wide range of standard designs and colors. Wipes can be used independently or in the medium sized Powerstack dispensing system.
