## Spray N Go Pathogen Control System

# Spray N Roll Disinfectant Spray System

The Spray N Roll II and the Spray N Go Mini will make quick work of cleaning & disinfecting your facility.

Perfect for lockers, floors, wrestling mats, shoulder pads, exercise equipment, animal cages and much more.

No more filling & transporting mop buckets to area being cleaned and disinfected, or refilling small spray bottles with trigger sprayers.

Left-over Airx Spray N Go solution can be used later - saving money, time & waste!

The Spray N Roll II & Spray N Go Mini are not like sprayers you find in Home Centers & Garden Shops.

The Spray N Roll II is industrial grade yet lightweight. 2.5 gallon sprayer is perched atop large wheels, perfect to roll to the area needing disinfection.

Supplied with large area nozzle and also a close up nozzle for tight areas.

The Spray N Go Mini holds 50 ounces of product and is meant for confined areas, easy portability and ease of use.

Bathroom fixtures

Gym equipment

Tables, chairs, telephones
