When the Occasion Calls
for More than Paper Plates

Inspired Entertaining™

Casual Elegance

Today's consumer is entertaining 6-10 times per year, and 55% of those occasions are for 15 people or less.* Capture the occasion.

Yoshi heavyweight disposable tableware offers superior quality with a modern look for any occasion. Whether you're hosting a small dinner party or a Thanksgiving Feast, we've got you covered.

Finally, a table-setting that allows you time to make memories with guests, not dirty dishes!

EMI-SFC5RC

Distinct.

Today's consumers are looking for something different when entertaining. Appeal to their creative side with bold shapes and unique designs that make even the most ordinary food, look extraordinary. Inspiring consumers to find their 'inner chef' is what we do!

Durable.

“Durability of utensils and disposables is considered most important to consumers in relation to availability from the retailer”.* Performance is key – especially on the buffet line. Rigid serving utensils, plates that hold up to the heaviest presentations – that’s why Yoshi offers the highest quality products on the market.
