**ecotainer® hot cup lids**

# ecotainer®

International Paper Foodservice Business is pleased to announce the launch of a fully compostable hot cup lid as part of the company's ecotainer® product line. The new ecotainer® hot cup lid is made with Ingeo™ biopolymer, an annually renewable, plant-based material. The lid also meets the strict performance guidelines required to ensure safe serving of hot beverages. Finally, a cup and LID that can clean up after themselves.

## Making a difference one cup & lid at a time.

### Lid

Stock #	Case/ Sleeve	Case Wt. (LBS.)	Case Cube	Case Dimensions (LxWxH)	Cups
