Style that Makes an Impact

A modern interpretation of classic elegance, the new Hammered Platters by Sabert redefines style and design in catering disposables. Our classic silver look platters and new modern look platters have been paired with an intricate hammered pattern design. Sabert's Hammered Platters offers the perfect balance of style and elegance to make an impact in any catering setting.

- **Innovative:** A classic silver or modern copper finish crafted with an intricate hammered design
- **Performance:** Best in class lid fit to ensure your foods safety during transport
- **Versatile:** Ideal application as a charger or platter
- **Aesthetics:** A modern, contemporary setting for your culinary creations
