

CLEARLY FRESH VISIBLY SECURE

SureStrip™

Patented Tamper-Resistant Packaging

Freshness & Security Your Customers Can See

SureStrip™ patented tamper-resistant packaging gives your customers the visible assurance of safety that consumers demand. And its crystal-clear, rib-free design shows your product in all its beauty. SureStrip™ packaging is the ideal way to merchandise a broad range of fresh foods and snacks for maximum shelf appeal and quick turns.

Safe and user-friendly

- With the tab intact, consumers can quickly see that no one has tampered with your product
- After easily removing the tear-away band, the edges are smooth — no worries about nicks or cuts
- Consumers have a convenient, tightly sealing, reusable lid to keep their edibles fresh

What makes SureStrip™ a sure thing?

- Patented, tamper-resistant safety feature is built into the lid
- SureStrip™ lid is quick and easy to apply — just snaps into place
- Two-piece construction is more operationally efficient and conveyor friendly than bulky hinged containers

Retail Shelf Appeal

SureStrip™
BY **Sabert®**
makes food look great®

Versatile and operationally efficient

- Multiple sizes and footprints
- Independent (not hinged) tamper-resistant lids
- Optional outside locking lids work with shrink bands or film seal
- Choose the right combination for your product and operation

3 RECTANGULAR FOOTPRINTS

SMALL

MEDIUM

LARGE

FILM SEALABLE

Leak-resistant and stackable

- Tight-fitting lids mean less worries about leaks or spills
- Chamfered bases and angled stacking features on lids enable secure stacking several layers high
