

Beverage Carrier

**NOW
AVAILABLE**

This beverage carrier is a sturdy and reliable solution for transporting and serving large quantities of beverages. Available in two capacity options, the sleek design is perfect for catering, parties and events that require an efficient way to serve beverages. Made of corrugated paperboard the insulated inner bag inflates during assembly and will keep the beverage inside hot or cold during transport and while serving.

- One-piece design for easy assembly
- Ships and stores flat
- Keeps beverages hot or cold for up to 2 hours
- Recyclable and Made in the USA
