

### Rethink your merchandising to boost food sales

Great for delis, salad bars, cafeterias, or restaurant take-out applications, these deli containers are the perfect choice to hold your hot or cold foods while on display or in transit. Features include:

- One lid fits all 6 containers to reduce the number of inventoried items.
- Smooth rolled rim for leak resistance.
- Made from microwave-safe and dishwasher-safe polypropylene.
- Shrink-band compatible for tamper evident applications.
