

Serve your ice cold beverages with a pop of personality

Our Cool Wave™ paper cold cups are the perfect fit for takeout establishments, concession stands and restaurants. The Cool Wave design promotes a modern feel and the various size offerings make these cups a great addition to your line up.

- Double-sided poly paper for maximum sturdiness
- Superior moisture resistance to prevent seeping
- Rolled rim for a great drinking experience and a secure lid fit
- Fiber used meets Sustainable Forestry Initiative® (SFI) Chain-of-Custody certification standards
