

WIPES PLUS®

Food Contact Sanitizing Wipes

Fast Effective Food
Contact Surface Sanitizer

WipesPlus® Food Contact Sanitizing Wipes have been cleared by EPA in the Code of Federal Regulations (40CFR180.940) for use on food contact surfaces in homes, public eating places, restaurants, bars, taverns, institutional kitchens, food handling areas and food preparation lines without the requirements of a potable water rinse after sanitization.

Use WipesPlus® Food Contact Sanitizing Wipes on the front and back of the house areas, to show your customers and employees that you are using the latest technology to ensure clean and sanitized surfaces.
