# CUSTOMIZATION

A **custom branded container** is an opportunity to differentiate, to make a lasting impression and to create residual marketing value for your business.

Nearly **four in five** (79%) Americans reuse a good quality plastic takeout container an average of **11+ times**\*

Embossed clear lid with your company brand and key messaging.

All containers available with Pantone® color matching.

In-mold label (IML) available in full-color with optional transparency.

## How Cube makes an environmental difference:

1. Diverting waste from landfill through reuse
2. Diverting waste from landfill through recycling
3. Reducing transportation emissions by using American materials molded in Canada

Experts say that unless paper cups, corn sporks and paperboard boxes wind up in an actual compost pile, they're no better than plastic.\*\*
