

u Vu Lids

The Safer, Better Lid

Engineered to be the safest, best performing lid on the market, the uVu Lid is receiving rave reviews. With design innovations that help prevent spills, leaks and drips, customers feel more comfortable throughout the entire hot beverage experience. It's easier to remove and replace, and visually confirms that it's attached securely. **There's no other lid like it.**

uVu Lids take the squeeze and stay put.

uVu Lids survive the fall when others fail.

Custom Colors complement your brand or promotion

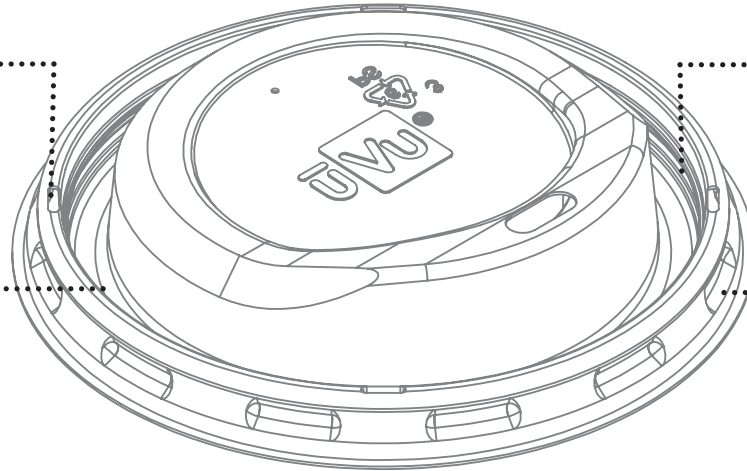

Features

uVu Windows

Four slots along the rim provide visual confirmation of a snug fit at a glance.

Deep Reservoir

Catches overflow and helps prevent drips – and ruined clothes.

Double Inner Seal

Securely grips both sides of the rim for a tighter seal.

Secure Snap

A snap that you can hear and feel as the lid firmly engages the cup.

One-Touch Hygienic Application

Eliminates the need to run your hand around the entire rim in order to secure it.

Size

uVu Lids fit 12 oz / 16 oz and 20 oz Solo, International Paper, LBP and Seda cups. Subject to fit form and function approval in our lab.

Colors

Currently available in Glossy Black, Glossy Red and Matte Red. Matte Black coming soon. Custom colors available with minimum volume orders.

Material

uVu Lids are made with 100% recyclable polystyrene.
